Pepartment of Transportation -- Federal Abiation Administration

Supplemental Type Certificate

Number ST03430AT

This certificate issued to

EJM Aerospace Services 5614 John Givens Road Crestview, Florida 32536 Added Notes at Surrender:

Future unsafe conditions existing in the product can result in an airworthiness directive requiring correction of the unsafe condition before further flight. If there is no entity to comply with 14 CFR 21.99(a), Required design changes, the existence of an unsafe condition might result in permanently grounding of the aircraft.

. Replacement parts mighanot be available in the

certifies that the change in the type design for the following product with the limitations and condition therefore as specified hereon meets the airworthiness requirements of Part 25 of the Tederal Modulion Regulations.

Original Product - Type Certificate Number:

A1NM

Make:

Boeing

Model:

767-300

Description of Type Design Change. Installation of a Panasonic Avidness Corporation System eFX In-Flight Entertainment System on a First Choice Airways B767-300 type aircraft in accordance with Master Drawing List MDL10426, Revision J, dated April 2, 2009, or later FAA approved revision.

Eimitations and Conditions: This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated, unless it is determined by the installer that the interrelationship between this change and any other previously approved modifications will produce no adverse effect upon the airworthiness of that airplane. If the helder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission. FAA Approved Airplane Flight Manual Supplement, 14516002, Rev. IR, dated April 10, 2007, or later FAA approved revision is a required part of this STC. This modification may not be installed after August 30, 2010 unless (1) previously approved electrical wiring interconnection system (EWIS) instructions for continued airworthiness (ICA) have been evaluated and determined to be adequate for this installation by the FAA, or (2) revised EWIS ICA have been approved by the FAA Oversight Office. (Refer to \$22,11)

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, sevoked or a termination date is otherwise established by the Administrator of the Tederal Aviation Administration.

Date of application . July 12, 2004

Date reissued :

Date & Surve . April 10, 2007

Date amended : April 3, 2009
